FH Team and Bill,

I consolidated the Alameda key messages and have included review comments by Matt Slack at RASO. I would appreciate your review and input on the messages, especially items noted by Matt.

Also can we confirm the BRAC HPNS has approved the overall HPNS messages?

Matt - I've incorporated some of your easy edits.

Thanks,
Cecily

Cecily,

See attached comments. Recommend someone on the HPNS team review the messages specific to HPNS.
